① Sturdy
Sturdy front frame to prevent bending of the top plate prevents deformation due to stacking

② Easy Use
It is light and smooth to pull in and out even when it is fully stored with a special 1/7 lightness than others.

③ Reassurance
With forward fall prevention parts
When stacking and pulling out,
You can rest assured that the rear part does not rise up!

④ Convenience
Casters with stoppers for convenient movement can be attached.

Sold Separately

Reduce dead space in the closet and Increase Storage Capacity

If you set it to the top, it becomes a spacious flat space. Convenient for placing accessories, boxes, and others of different lengths. Bags of different sizes and shapes can be neatly stored in one vertical space. The simple installation method of just placing it between the cases is also attractive.

Just place it between the cases to create a convenient storage space

WHI&Rash

ホワイトラッシュ

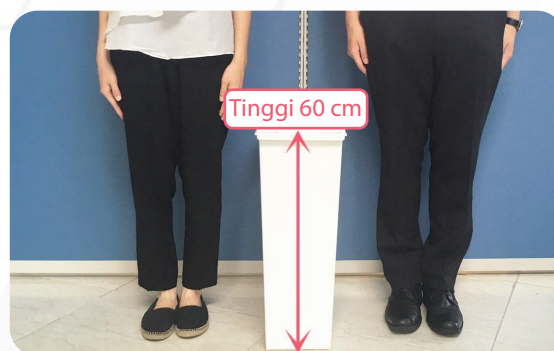

This trash can offers a variety of lid and body options to fit your lifestyle. Key features include its stylish white color and slim design, making it appear more compact than its 45L capacity. The minimalist design blends seamlessly with any room, adding a natural touch to your home.

① Design Slim

Although it has a capacity of 45 liters, it has a slim design so it is easy to place in a narrow space.

② Fit size

Just the right height, users don't have to bend over when taking out the trash

③ Various lid models

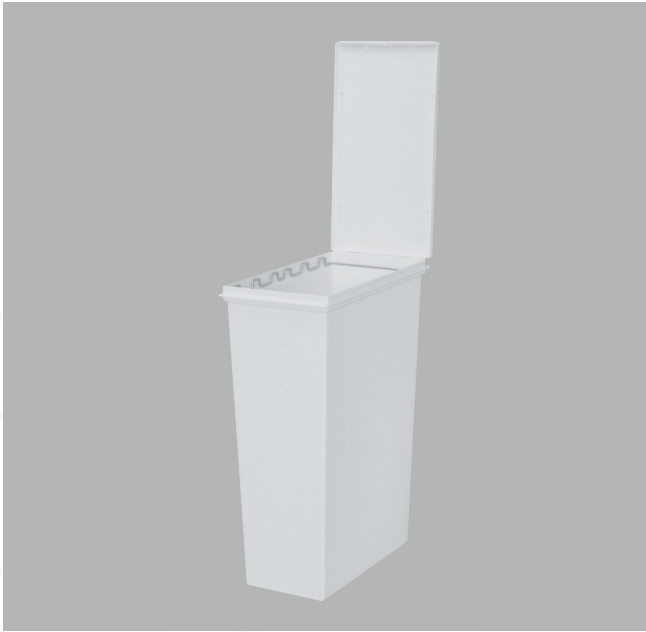

With four kinds of lid models, customizing your needs

Lid-Push Open
